Left-aligned

Address format

Please note that:

- For home delivery, the postcode is followed by the locality name.
- For postal delivery, the postcode is followed by the postal office name.
- For informal settlements in urban area, the suburb shall be mentioned above the postcode and locality name. In rural area, it is the village name which shall be mentioned at this position.
- For home delivery in rural area, the district name (2nd level of administrative division) should be added on the line below the postcode and above the region name (1st level of administrative division). The village name shall be mentioned above the postcode.
